

Chamber discusses its new goals

Elk Point Chamber of Commerce discussed a number of their suggested long and short-term goals at last Wednesday's meeting, and also laid plans for the official opening of the bridge late this spring.

The establishment of overnight camping sites in or near town was one of the long-term goals discussed. Since this need was first perceived, circumstances have changed somewhat, with the purchase of the recreational land and subsequent plans by the Lions Club to help with developing campsites at that loca-

tion. The Chamber is not sure, at this point, if this will solve the problem of tourists bypassing Elk Point to camp at the lakes, but intends to check into the Town's plans before discussing the matter further.

Another long-term goal is the attraction of new businesses to Elk Point. A proposed survey of consumer needs for goods and services in Elk Point is in the planning stages, and Recreation Director Linda Simpson suggested that this could possibly be incorporated with a survey of recreation needs to be undertaken by

her department. After survey results are tallied, it has been suggested that a letter outlining Elk Point's needs be sent to Alberta Small Business offices in St. Paul, Edmonton, Calgary and Red Deer.

Further discussion of tentative plans for a celebrity roast came under the category of short term goals, and this further discussion, after sufficient time to rethink the idea, brought forth a volley of negative responses. Chamber members commented that such an event "could be demeaning...if not

handled properly", and might not be appropriate in a small town setting. The motion to hold the roast, made in December, was called back onto the floor, where it was subsequently defeated.

The question of having guest speakers at Chamber meetings was also discussed. Alternate suggestions of planning ahead for speakers, which would involve making the business portion of the meeting very short to allow adequate time for a presentation, and of restricting speakers to (another short term goal)

occasional evening meetings to allow more people a chance to attend, were made. The latter suggestion drew interest from the membership, with Ed Vogel of the Agriculture Committee suggesting that the first evening meeting, with agriculturally oriented speakers and the rural population invited to attend, be held during Agriculture Week in March.

Involving and supporting the agricultural community was another of the short-term goals on the list. The balance of the list was tabled until a

Bridges come, bridges go, rivers run forever

By Irene Magnusson

Bridges come and bridges go, according to the whims and needs of man; still the river flows and must be crossed. So until we all sprout wings and fly, we will need bridges to cross our rivers. Such a bridge spans the North Saskatchewan River at Elk Point. For a few months there were two bridges side by side.

For years - thirty-five and a bit, to be exact - the five-span, high-arched bridge served travelers heading north or south on Highway number 41, across the N. Sask R. Today that bridge stands no longer. It has, you could say, hit the road. The newly built, wide, flat, concrete and steel bridge has replaced the old. We could think a few moments about the old bridge as it passes from sight, and possibly from memory.

It was built in 1949 and 1950. The crews started in October '49, suffered through a miserably cold January and February, and carried on full blast into spring, 1950. The bridge opened for traffic the end of May. The planning was commendable, almost as though they anticipated a sometime replacement. Five spans, a 250 ft. main span, flanked by two 200 ft. and two 150 ft. spans, were built at a cost of a bit over \$200,000, and topped the four piers and two abutments of cement sunk down to bedrock built at a cost of around \$124,000.

The bridge was 22 ft. wide, could clear 15 ft. high, stretched 960 ft. in length, and stood 23 ft. above the normal water level of the river.

After years and years of crossing that murky river by ferry, ice, cages and jiggers, you can believe there was jubilation in the hearts of farmers and all the others who

Council deep in garbage issue

Garbage, and its disposal was once again the main topic of conversation for Elk Point Town Council, at Monday's regular meeting.

Much of the discussion centered on the non-residential garbage disposal contract with Laidlaw Waste Disposal Systems. Several revisions

have been made to the contract, which now includes a hand pickup option for businesses with a low volume of garbage or no place to locate a bin. Under this option, up to ten bags will be picked up for \$9 per week.

Another clause added to the contract covers businesses which cease

operation before the end of the contract. These businesses must give Laidlaw sixty days notice to terminate their contract.

In discussing the fee schedule charged for non-residential containers and pickup service, Mayor Buck noted that the \$28 monthly rental

and \$7, \$9 and \$11 lift fees are the maximum amounts Laidlaw can charge, but customers are able to negotiate with the company for lower rates and less pickups.

A request from Laidlaw to lower the dumpsite fee charged to them from \$1800 per year to \$600 was

debated by Council, who decided to split the difference and request \$1200 from the firm. This sum was included in a motion to enter into the amended agreement with Laidlaw, which met with unanimous approval.

The garbage Bylaw will be drafted

(Cont. on Next Page)

Council deep in garbage issue

(Cont. from Prev. Page)

to reflect the changes in the agreement, for presentation at the next regular meeting of Council. A letter outlining the changed agreement will be directed to the Chamber of Commerce for their information.

Assessing the amount to be charged business persons hauling their own garbage to the nuisance grounds was another matter before Council, who

later implemented a bylaw that each business not provided with the commercial garbage service, will be billed \$5 per month for dump maintenance.

The residential garbage collection was also discussed at length, with the dividing line between residential and commercial categories set at a maximum of a four-family dwelling for

residential. A bylaw for residential garbage collection is also to be drafted by the next regular meeting.

A three member delegation representing Elk Point's senior citizens visited Council for a detailed explanation of the new residential garbage fees. The former method of payment by tax assessment was covered in many cases by the seniors' homeowner's grant, whereas now each will be billed monthly, along with the rest of Elk Point householders.

Mayor Buck explained that taxes will now be lower, because of the change, and that those whose taxes exceed the homeowner's grant will notice a direct saving. Those who previously paid a garbage assessment on vacant lots will also save. Administrator Pat Vincent noted that almost forty percent of seniors will benefit.

Elk Point Hospital Board also expressed a concern regarding the new system of garbage collection. A letter directed to Council by the Board noted that the hospital is a non-profit organization whose budget was submitted many months ago and would therefore have difficulty paying the non-residential fees.

A reply will be directed to the board, sympathizing with their con-

cerns and the budget problems caused by the unforeseen change.

This was still not the end of the garbage discussions, as Council went on to discuss waste disposal on a wider scale.

A letter from the North East Alberta Health Unit advised the town that the County of St. Paul #19 has requested approval for construction of a nuisance ground, 1/2 mile from the south bank of the North Saskatchewan River, three miles west of Highway 41. After discussion, Council agreed to reply that this drew no immediate concern, but could be a concern in the future if at some point the Town decided to draw water from the river for domestic use.

The Lakeland Regional Landfill Authority will meet later this month to pick a number of suitable sites for a regional landfill, for subsequent soil testing by Alberta Environment.

Council finally "canned" the garbage issue for the night, and moved on to discuss other matters which included other utilities, traffic and the perennial problem of stray dogs.

Council authorized the Finance Committee, Mayor and Administrator to arrange the necessary financing for Phase I and II of the water supply upgrading project.

Use of an upgraded Secondary

Highway 646 as a dam for raw water intake was discussed. The Town will ask the County for their reaction to the idea.

Storm sewer alternatives along the upgraded Highway 41 will be reviewed with Alberta transportation as to type and location.

Several sewer backup problems were noted, and a cost of \$45 per hour for service by the sewer cleaning machine and two men was established.

A committee recommendation on traffic control at the 50th Ave. and 50th Street intersection will be sent to the Chamber of Commerce for their perusal. The recommendation includes no parking whatsoever within 35 feet, rather than 15 feet, of the corner, plus a four-way stop sign at the corner, and no parking of heavy trucks from that corner to the 49 Street intersection.

A yield sign for through traffic from the west side of Circle Drive wishing to go eastward toward the arena will be erected to solve traffic problems at this corner.

Mayor Buck was authorized to represent Council at a meeting with the mayors of Bonnyville and Glendon to discuss a mutual stray-dog problem and possible solutions.

Chamber goals

(Cont. from Prev. Page)

later meeting.

Temporary Chairman of the Bridge Opening Committee, Marie Buck, reported on that committee's plans, and laid forth a suggested budget for the event. The Chamber agreed to the suggested date of Sunday, June 8 for opening, which will be held on the south side of the river, with refreshments after the opening ceremonies and entertainment to be provided by the Chamber.

Recreation Director Linda Simpson reported briefly on the Community Recreation and Cultural Grant Program, for which application forms

will be available February 9. Fully completed forms must be returned by February 28 if they are to be considered, Miss Simpson noted.

Regarding the support of the Hospital Board's efforts to improve medical care in Elk Point, which was included on the list of short term goals, Hospital Administrator Clem Johnson reported on the establishment of a new medical clinic in the former nurses' residence. Dr. Frank Estey, who heads the new facility, is hoping to recruit another doctor, and will be reporting to the Hospital Board regularly. Johnson said he will keep the Chamber posted on the situation.

Recreation Corner

By Linda Simpson
Recreation Director

Have you noticed how busy everyone is lately? It is pleasing to see such active community groups. The curling rink seems to be always going. There's been lots of vehicles parked around the library and the Elks Hall with many meetings and bingo's underway. The Lakeland Drama Club held a presentation last week at the High School. I'm not sure how they managed to book the gym. It's been so busy with school sports, Boxing Club practises, Army Cadets, fitness classes, and Adult Badminton. The Elementary School seems to be almost as busy with gymnastics and

fitness classes. The Community Services Centre is constantly in use with T.O.P.S., Further Education classes, Guides, Playschool, Parent Nursery, and dance classes, not to mention the service clubs and church groups that use the building. The area seems to be busy with Figure Skating, Hockey, Ringette, and Broomball. Outside of Elk Point, I hear word of curling and get-togethers at Lindbergh and Ferguson Flats. Ross Lake is serving skiers and ice-fishermen. While Heinsburg School and Community Club are bustling with Youth Clubs, Bingo's, suppers, snowmobile rallies and numerous other events. On the weekend you can hop on the bus for swimming in St. Paul or skiing at Kinsoo Ridge. When I think of all this activity at once, it makes my head spin. There are so many clubs, events, and activities to get involved with, it amazes me how anyone in this area could possibly be bored. If you don't know how to spend your time in this area, phone me and I'll tell you. Come on, get involved. There's lots to do.

TOTALLY OUT-TO-LUNCH:

That's what last week's dates for Dash n' Splash were. Please note that Dash n' Splash operates on February 15, March 8, and March 22. These dates are definite! I'm sure that last week's dates must have been struck by an undimensioned force somewhere between our typewriter and the printing press. Sorry for the confusion.

SKI SHARKS: The Bus to Kinsoo runs on February 22nd, March 1st, and March 15th. Please

note the half hour earlier pick-up times: Heinsburg School — 7:30 a.m.; Lindberg Post Office — 7:55 a.m.; Elk Point Community Services Centre — 8:15 a.m. The bus returns to Elk Point around 6:00 p.m. \$6.00 is all it takes for the bus fare. Let's go skiing!

ADULT BADMINTON: The F. G. Miller School is the place to be on Thursday nights at 9:30. \$1.00 is all it costs to meet some new people and get some exercise. Bring your own racket.

C.R.C. GRANT APPLICATIONS: Application forms are now available for these grants. They can be picked up at the Recreation Office anytime during regular office hours (8:00 a.m. - noon, 1:00 p.m. - 5:00 p.m.). If you can't get to the office, phone 724-4074 and ask us to mail one out to you. Please fill out the form COMPLETELY and concisely. Incomplete applications will not be accepted. Applications are due back to the Recreation Office on February 28, 1986.

MIXED CURLING: This spiel will be held in Elk Point on the weekend of February 15th. To register, phone Debbi at 724-4322.

ANNUAL RECREATION BOARD MEETING: Come out and hear what the Recreation Board is doing. The meeting will be held on February 25, 7:00 p.m. at the Elk Point Municipal Library.

FITNESS: There are a number of fitness workshops being held in Vermilion over the next few months. The workshops cover many topics from weight control to bicycle fitness. For more information, phone 724-4074.

OPEN HOUSE

ELK POINT GENERAL MUNICIPAL PLAN

GENERAL MUNICIPAL PLAN ...

The General Municipal Plan (G.M.P.) is a planning strategy, adopted by a municipality, to guide the decision-making process on all matters that concern future community growth and development. The G.M.P. determines the location of future land uses and establishes policies to help achieve long-range planning goals for Elk Point.

Plan Review ...

In response to increasing growth pressures on the community, Town Council appointed a committee to review and update Elk Point's current General Municipal Plan (Bylaw No. 332). This review was initiated to ensure that the G.M.P. reflects the current needs and priorities of Elk Point's residents, as well as encourage orderly growth and development in the community.

Purpose of Open House ...

The Review Committee prepared a new General Municipal Plan following an in-depth analysis of the existing planning policies, local land use-related issues, development trends and the prospects for future community growth.

The intent of this informal "open house" is to provide an opportunity for local residents to view and discuss the long-range development plans for Elk Point. Members of the Review Committee will be present to answer any questions you may have and welcome all comments and suggestions.

For Further Information ...

Free copies of the proposed General Municipal Plan will be available from the Town Office.

If you have any questions concerning the General Municipal Plan or open house, please call the Town Administration at 724-3810.

Bridge moved

(Cont. from Page 1)

wanted to use that road. A Grand Opening was planned, and took place in early June of 1950, with an estimated 15,000 persons showing up for the day of celebration. There were V.I.P.'s, speeches and a giant barbecue. There were Mounted Police and Native dancers and hundreds of excited kids underfoot, a parade, banners and music. Above all, there was A Bridge.

A lot of us remember that day. And will be on hand, no doubt, for the Grand Opening of the new bridge when that occurs - sometime in the spring, we hear.

Today, bid farewell to the old bridge. No longer will its graceful curves arch over the brown water or the ice and snow at Elk Point. But we need not feel it has gone to the happy hunting ground of a junk pile. It has instead, gone on to a new life, serving other travelers.

The 200 ft. span from the south side has been loaded, with the help of some mighty iron muscles, onto trailers, (the cranes supplied by Atlas - the vehicles by Premay Moving), hauled up the hill on the south side of the river, where it rested overnight, then down across the wide new bridge, up the hill to the junction

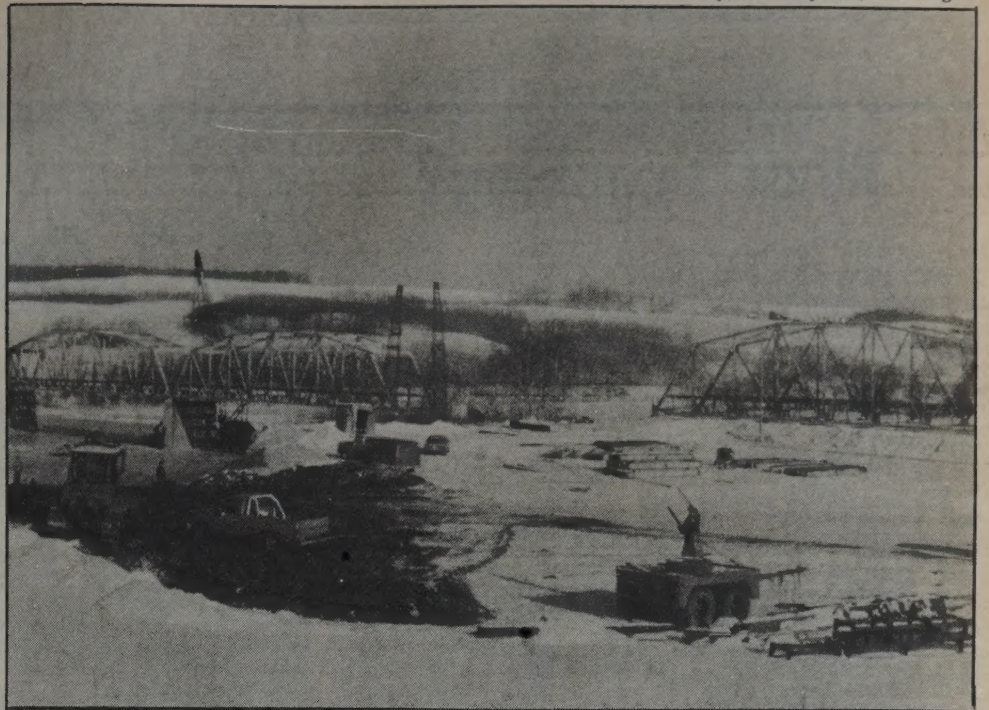

Highway 41 meets with Secondary 646, just south of Elk Point, all in the grey foggy dawn of February 3rd and 4th.

Turning west, the massive load inched its way out past the Alberta Wheat Pool elevator, to the corner by the two cemeteries. This corner, said Al Nagel of Alberta Power, was the tricky one. Had the span been another eight feet long, he estimated, a power pole would have had to go, causing a power outage much longer than the hour or so it was off for the town of Elk Point.

An earlier proposal to bring the bridge up 41 north through town was rejected, as causing too much interference with power lines and traffic. As it was, Mr. Ron Barwick, taking photos at the 646 junction, counted 107 vehicles backed up behind the giant load.

An odd and eerie sight, from my viewpoint, was to see the huge structure, 200 ft. long, plus the tractor-trucks before and behind it, 41 ft. high, move slowly past the elevator in the fog.

Eight rows of wheels, with twelve wheels in each row, supported the huge steel structure. Can you imagine the thrill of driving a load like that? R.C.M.P. from Bonnyville and

BRIDGE OUT — The disconnected span of the old approach, ready to be loaded for transport. Elk Point bridge (right) has been winched to the south

Elk Point were on hand, to hold traffic, and clear the intersections. Several crews, thirteen men in all, from Alberta Power at St. Paul, escorted the cortege from point of departure to the Kehewin Reservation, where Alberta Power crews from Bonnyville took over. Lines

were cut in 17 places to accommodate the move, Nagel said.

Mr. John Engler, from Alberta Transport, said the cost of the move was in the neighborhood of \$40,000, and that this portion of the old Elk Point bridge will serve in a temporary capacity on the Number 41 crossing of the Beaver River, north of Bonnyville, until 1987, while a new bridge is being built there. After that - who knows?

The remainder of the bridge at Elk Point, already down on the ice a day after the first span moved out, will be dismantled, hauled away piecemeal, and used in other areas. Two sections already have a destination, Engler said, on some smaller streams. So far no fate has been decided on for the other two sections. The plan is to dynamite the cement piers.

Elk Point R.C.M.P. reported no

problems or unusual events with traffic during the 'big move'. I personally was treated very courteously, and thank one person for the pen, (imagine a "reporter" going out without a pen??), and the AB. Power crew who kindly yanked my car out of the snowbank, where I had parked too close to soft pushed-up snow.

I'm sure, before that big move was finished, there were a whole lot of folks inconvenienced, with traffic hold-ups, power off, and so on. But I'm sure everyone was calm and understanding, and a bit excited, as I was, to see this massive load, this bridge, moving up the road at about the same speed one would move a combine. Another chapter in the history of our interesting province has passed by, this time almost under our noses. And some of us noticed.

BRIDGING THE ROAD — Traffic on Highway 28, one mile west of the Highway 41 junction, was halted Tuesday afternoon while the bridge span was pulled across, then carefully backed around the corner to the west ready for the eastbound leg of the detour.

Your nearest AOC office is in St. Paul, 645-6356

AOC has offices in Brooks, Calgary, Edmonton, Edson, Grande Prairie, Lethbridge, Lloydminster, Medicine Hat, Peace River, Red Deer, St. Paul, and its head office is located in Ponoka.

What's cooking?

Don't look now, but something is definitely stirring in the kettle of the Elk Point Chamber of Commerce.

New ingredients, in the form of long and short term goals, are being lowered into the brew, which is slowly but surely coming up from its usual lukewarm state to a slow simmer.

Some bones of discussion may only be left in for a short time, such as the overnight campsite. When the Chamber finds out the Town's intentions, they will know whether that plan needs longer cooking or fishing out and discarding.

The spicy issue of the celebrity roast has already been plucked out, lest it should make the brew too hot for local tastes, but the ideas of occasional evening meetings with speakers and of involving the rural community have been put in to replace it, and are already sending up enticing waves to attract newcomers.

The meaty project of the bridge opening has been added also, and will whet the appetite for more involvement. The concept of attracting new businesses to Elk Point is being carefully sorted over and prepared before it is stirred in, as well.

The Elk Point Chamber is definitely off the back burner. Let's all give it a stir, and keep things cooking.

Bon Appetit!

HONOUR ROLL — SECOND TERM — (Not in order): Grade 7: Tina Bjorkman, Melinda Boratyniec, Kim Bugera, Chris Cameron, Jeff Chalmers, Elena Drobot, Stacy Dunham, Arla Irvine, Barbara Naber, Rhonda Pinder, Brenda Poitras, Shauna Seniuk; Grade 8: Cynthia Adkins, Kevin Bates, Margaret Bayduza, Rhonda Behr, Myra Boothman, Nathan Bosvik, Katharina Ludlage, James Onusko, Teresa Walker; Grade 9: Angel Ference, Jamie Pelech, Jason Smereka; Grade 10: Corrine Behr, Leanne Drobot, Ken Hanson, Albert Lim; Grade 11: Cathy Buck, Cathy Mistol, Lorelei Wickham; Grade 12: Marguerite Bosvik, Anna Fedorus, Glenna Grykuliak, Malcolm Palamarek.

Have a heart

Don't forget -- Friday is Valentine's Day. It's time for heart-shaped boxes of chocolates, sentimental cards, bouquets of roses, and festive evenings on the town.

It's also a perfect time to express your feelings of caring...not just to your spouse or sweetheart, but to all the people who make your life a worthwhile experience. Parents, grandparents, children, siblings and friends all are part of your everyday world, and are somehow often taken for granted.

Give them a hug. Tell them how much they mean to you, and how their efforts light up your days. This time of year, it is quite all right to let sentiment shine through.

And don't forget - it's Heart Month. Give generously when your canvasser calls - your donation could save the life of someone you love.

GRIEVING HAMLET — Cries on the casket of his sweetheart Ophelia, while Laertes (right), the Queen, King and other mourners look on. Stratford Festival, eat your heart out!

Principal's message

Honor Roll students

As Principal of the F.G. Miller Junior - Senior High School I believe that the two main roles of our school are to provide the conditions to make possible and to promote academic and social growth amongst our young people. Excellence in each is the goal of this school.

Report card marks give us some indication of student growth towards excellence in academic areas. Our Honour Roll is one means by which we are able to salute those students who achieve excellence - in this case meaning that they have an average of 80% or better in their academic subjects. I would like to personally and publicly commend the students pictured and named here for their work and motivation which is responsible for their inclusion on the second term Honour Roll at F.G. Miller.

Bob Tredger, Principal

Acting up in Elk Point

The Neophyte Lakeland Theatre Company and the Grade 9 Language Arts Option class of F.G. Miller High School presented three hilarious plays last week to a small but enthusiastic audience.

First on the program was a drama turned high comedy, which would have sent its immortal playwright, William Shakespeare, into subterranean cartwheels. Hamlet was never thus - but then perhaps it was never before performed by such a bunch of "ham" actors!

The ancient dialogue was modernized and put into rhyme, and costumes included such modern innovations as tastefully labeled rugby pants for the male lead.

Angel Ference, starred as the commentator, with Blaine McLaughlin in the title role and Jackie Gulayec as his sweetheart, Ophelia. Dean Cameron and Joanne Wolanuk were the King and Queen, with Jayme Pelech as Polonius and Jason Smereka as Laertes. Alan Kadutski and Robbie Harms were a wacky pair of undertakers who kept stopping battles to measure their potential customers.

Guards were Leslie Kalynchuk, Anthony Bayduza, and Jessie Hillebrand, while Kevin Wirsta was an afghan-draped ghost, and Tracy Oryschuk and Cynthia Oster were classified as "extras". The play was directed by Joanne Wozniak.

Poison, drowning and barbecue-spit sword fights did in virtually every member of the cast by the play's end - but this did not stop them from having the last, hilarious word!

The second major play was entitled Cinder Riley. This old Irish legend was introduced by a top hatted, barefoot leprechaun, played by Chris Boulter with a very authentic Irish brogue.

In this version, Princess Cinder Riley (Jayme Pelech) is to be married off to King Belch (Shaun Sheplaw), when all she really wants is to run off with the kitchen boy, Jack O'Black (Christoph Ludlage). The Wicked Stepmother (Faye Smith) and punk rocker stepbrothers (Anthony Bayduza and Brent Ockerman) are foiled in their efforts by the Fairy Godfather (Sheldon Porcina) who turns Cinder Riley into a kitchen maid (and incidentally, kitchen maid Virginia Masse into a princess) so she can go to the Kitchen Ball. King Belch is quite taken with the new princess, and the wicked stepmother end up betrothed to the king's nephew, Prince Burp!

Other dancers at the Kitchen Ball were Jordan Pelech, Nellie Ranger, Anthony Bayduza, Brent Ockerman and Sheldon Porcina.

Between the acts of 'Cinder Riley', playgoers were treated to a sidesplitting mime, involving two spies - one who plants an exploding strawberry and one who develops and alarming squeak in his shoes that can only be cured by gunpowder! Mark Boulter and Sheldon Porcina were the spies.

A hands-on workshop which will demonstrate simple ways of cutting energy costs is scheduled for 7 p.m. this evening in the Lakeland College room of the Community Services Centre.

The two-hour workshop includes quizzes, prizes, free booklets and a display of energy saving devices, and is sponsored by the Energy Conservation Branch of Alberta Energy and Natural Resources. Fort George Agencies, Elk Point, is the local co-ordinator of the workshop.

Energy workshop tonight

Clandonald News

By Shirley Osinchuk

Clandonald Correspondent

Hasn't the hoar frost been beautiful on everything the past week? Especially when the frosted trees are silhouetted against the blue sky, I can forget the inconvenience of power failures, and just drink in the beauty.

First of all, a correction on the Ladies' Bonspiel results. The winning rink was Marj Osinchuk's, not "Mary's".

There were 16 rinks entered in the Clandonald Farmers' Bonspiel. Winners of the first event were: Terry Stachniak, Gary Harasiuk, Edward Bykewich and Alex Nowosad. Second were: Dave Mudryk, George Starko, Rick Arnold, and Brian Brady. Third were: Mike Nowosad, Alice Nowosad, Darrel Nowosad and Elsie Bykewich and fourth: Shane Attfield, Iris Attfield, Gary Etherington and Elaine Etherington.

The winning rinks in the second event were: first - Edsel Bowman, second - Ian Shaw, third - David Podhaniuk, fourth - Caroline Poloway.

The third event winners were: Russell Dougan - first, Peter Harasiuk - second, Ted Etherington - third, and Judi Harasiuk - fourth.

The Men's Bonspiel is being played Feb. 7, 8 and 9. The Mixed Bonspiel will be Feb. 20 - 23. Contact Gary Harasiuk at 853-6513, or Ken Lawrence at 853-2114.

The Round Robin play with ten rinks is continuing, usually on Mondays and Thursdays.

The basketball season has started at school for the Junior High. The girls won their game with Marwayne, and the boys won against Dewberry.

On Wed., Feb. 5, the First Aid Course was attended by about thirty people who had an enjoyable after-

noon at the serious business of learning how to be prepared to give aid to an accident victim.

The Annual Meeting of the Progressive Conservative Party Lloydminster Constituency was held at the Ilay Hall on Friday, Feb. 7. Members from Clandonald, Myrnam, Beauvallon, Paradise Valley, Kitscoty, Derwent and Lloydminster areas enjoyed a delicious dinner. Warren ("Stook") Wilson, President, chaired the meeting.

The Honourable Bud Miller, M.L.A., introduced his friend and colleague, Dr. David Carter, as the guest speaker. He spoke of the value of living in the small communities of Western Canada, the changes seen during our lifetimes and the impact of the larger world on our lives, and the need to adjust to a new leader in our province. This constituency, he said, is vital, with members from all areas who work for their candidate, and keep him aware of the real issues. He said that Mr. Getty is working to get the Husky Upgrader put in to Lloydminster, and his experience as Minister of Energy makes him better equipped to do this. He then spoke of the work of an M.L.A. Dr. Carter closed with a poem about himself and Bud Miller, entitled "My Friend and I".

The previous slate of officers was returned, with the addition of Dorothy Blackly as Vice-President. This area is well represented, with Clarence ("Jiggs") Goldsmith as one of four Vice-Presidents, and Terry Stachniak and Matt Harasiuk as Directors.

Bud Miller announced that he will not run for re-election in the next provincial election. He had the highest praise for the people and press in his constituency. Because of his resigna-

tion, the directors will be meeting very soon to begin the process of electing a new delegate for the P.C. leadership of the Lloydminster Constituency.

Beginning on Tues., Feb. 25, and the fourth Tuesday of each month, there will be a Blood Pressure Clinic for all adults and seniors in the Friendship Centre, between 2 and 3:30 p.m.

The Immunization and Well Baby Clinic has resumed on the first Wednesday of the month. Call the Vermillion Health Unit at 853-5270, for an appointment.

The Fish and Game Awards Night is on Sat., Feb. 15, beginning at 6:30. Supper will be followed by presentation of awards and films. Tickets are available from DeFord's Shop.

The Landonville Whist Drive will be at 7:30, on Wednesday, Feb. 19, at the Landonville Hall.

The Open House for the renovated Wheat Pool Elevator will be from 2 to 5 p.m., on Monday, Feb. 24. The Annual Delegate's Report will follow a free pancake supper at the hall at 6 p.m. Everyone welcome.

Tues., Feb. 25, a speaker will be at the Clandonald Hall from 1 to 4 p.m. to present information on Surface Rights.

Minor hockey news

By Shirley Osinchuk

BANTAM HOCKEY - On Tues., Feb. 4, the Bantams played Marwayne in Elk Point, with Marwayne winning 7-0. This past week-end was their tournament, hosting Mallaig, St. Albert, Lloydminster, Wainwright, Waskatenau, St. Paul and Tofield. Details next week.

Meet the Players: Roger Lumley, #2, plays Defense. This is Roger's first year playing with Elk Point. He played before in Dewberry where he goes to school. He is 15 and in Grade 9. Roger lives north of Dewberry.

Jason Reinhard, #17, plays Right Wing. He is 14 (15 next week) and in Grade 10 in Elk Point. Jason lives in Elk Point. He has been playing

hockey here since he was in Tom Thumbs.

The Bantams will play in Vegreville on Sunday, Feb. 16.

MIDGET HOCKEY - The only game for the Midgets since the last report was on Tuesday, Feb. 4, in Lloydminster. This was the second game in their two game, total point series. The Elk Point Midgets went with a two point lead from the first game, but lost in Lloydminster 7-2 also losing the Provincial round. That knocks them out of Provincials.

The next game is with Bonnyville in Elk Point on Sun., Feb. 16.

The following week-end, they will host a tournament on Feb. 22 and 23.

Out our way

By Mildred Dunham
Ferguson Flats Correspondent

A general meeting of the Primrose community residents will be held on Monday 17th at the Ferguson Flats Hall. From 7 p.m. to 8 p.m. will be for Primrose exclusively; the purpose of this meeting will be for Primrose to elect two more officers (directors) for their club; discuss membership fees and hopefully make more plans to renovate the Primrose hall. After 8:00 p.m. it will be open to the public.

There will be several professional speakers from various recreational departments to tell us what is being done by the government; grants available, etc. This will also take in grants for the upkeep of the cemeteries.

This invitation is extended to neighboring communities, especially the people of Ferguson Flats who so willingly let their hall be used for this purpose. We would be pleased to see a few people from Lindbergh, Spring Park and Heinsburg attend this meeting to hear these speakers and to perhaps gain for their community centres.

There will be coffee following the meeting and any lunch donations will be greatly appreciated.

Vina Hostvedt has returned from a trip to Bonnyville where she visited

with Miss Zaccaglini and Miss Gray. These two ladies bring back my childhood memories of about thirty-five years ago. I was attending our little one room county school at this time and Miss Zaccaglini & Miss Gray would come with horse and buggy (sled in winter) to bring us lessons from the Canadian Sunday School Mission.

They would travel from different homes (to our little country schools, etc.) bringing with them help wherever needed, a bit of bible news and hope for the future. Originally from Iron River - Bonnyville area, they worked in our area for a number of years, moved on to Camrose, then worked their way back to Bonnyville. There were no churches in the area at the time except for these missionaries and perhaps an occasional visit from a priest from St. Paul to a few Catholic homes in the district.

I had no idea of whatever became of Miss Zaccaglini & Miss Gray until they came back to the Hostvedt family in their time of need recently.

Lindbergh is proud of Eddy Irvine, Joely Jenner, Jason Anderson & Kari Anderson who took part in the N.E.A.R.A. games in Bonnyville Feb. 8th & 9th and came home with bronze medallions for curling.

POKER RALLY TROPHY WINNERS — (Not all pictured) were Gordon Hallman, Tom Johre, Darcy Semeniuk, Tina Pinette, Lloyd Robbie, Dean Smith, Maude Johre and Ed Hyatt.

Photo by Mildred Dunham

Attendance near double at Heinsburg rally

By Mildred Dunham
Ferguson Flats Correspondent

A grand total of 171 snowmobile enthusiasts took part in the 1986 Heinsburg Poker Rally, almost double last year's number of 96 competitors.

Gordon Hallman collected a 9-high straight on his visits to the check-

points, to win the Mike's M & M trophy and a \$300 cash prize, while Tom Johre added up three aces for the second place trophy donated by Skolarchuk Auction Service and \$200 in cash, for second place. Three queens earned third place, along with the Sharkey's Bus Service trophy and \$100, for Darcy Semeniuk of Edmonton.

Smaller trophies and \$50 cash prizes went to Tina Pinette of St. Paul in 4th place, Lloyd Robbie, 5th, and Dean Smith, 6th.

Trophies for the oldest participants went to Maude Johre, age 63, and Ed Hyatt, age 67. Chris Shankowski drew the Joker, and won a case of snowmobile oil, donated by Marwayne Esso.

A number of merchandise prizes were also given out, ranging from tool sets to toques, all donated, as was a large percentage of the prize money, by generous businesses and individuals in the area to help make the rally a rousing success.

New Horse Club formed

By Myrna Golden

On Feb. 5 a new club was formed and about 21 people attended our first general meeting which was held at the old courthouse in Elk Point. The name we have chosen is Elk Point & District Light Horse Association, (pending approval by the Corporate Registry).

Interest in events such as trail riding, gymkana, parades and training clinics was shown & family recreational activities was stressed.

Some topics discussed were laws of a society, registration of a club and yearly membership fees.

We have also elected the following executive members: Grant Asmus - President, Lionel Lavoie - Vice-President and Myrna Golden - Secretary Treasurer. Our Board of Directors is to be elected at our next meeting on Feb. 24, 1986.

We thank everyone who attended and hope to see all of you and many more at our Registration Night.

Wainwright wins Bantam tournament

Wainwright Kinsmen Bantams topped an eight team hockey tournament which filled Elk Point's A.G. Ross AgriCentre with nonstop hockey action this past weekend, winning their final game over Lloydminster's Nelson Blazers with a decisive 10-4 margin.

Action in the tourney got underway Friday night, with St. Paul losing by one goal to Mallaig, for a 4-3 final score.

In Saturday's games, results were as follows: Wainwright 16, Elk Point 3; Waskatenau 5, St. Paul 4; Wain-

wright 10, St. Albert 4; Elk Point 5, Tofield 4; Lloydminster 9, Mallaig 6. Sunday's scores were: Elk Point 8, St. Albert 2; Wainwright 8, Tofield 3; Waskatenau 8, Mallaig 5; St. Albert 3, Tofield 3; and Lloydminster 12, St. Paul 4.

With two points awarded for a win and one for a tie, standings at the end of the round robin had Lloydminster and Wainwright with six points apiece, Elk Point and Waskatenau with four each, Mallaig with two, St. Albert and Tofield with one apiece and St. Paul with no points.

Lynn Proskiw

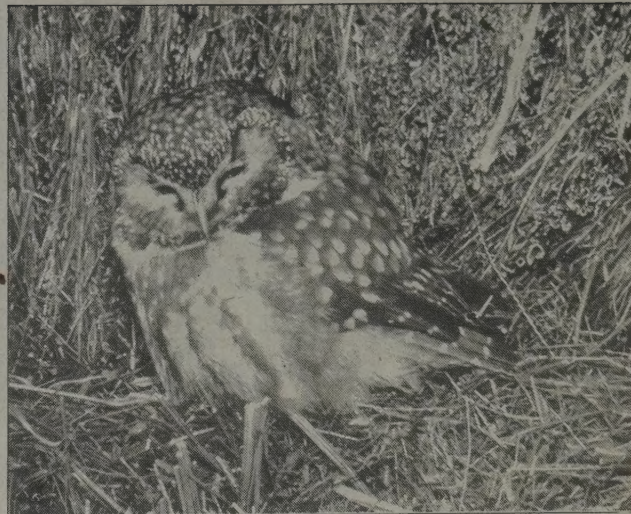

Volunteers of the month

Association. As a youngster in Girl Guides, Lynn became a Junior Leader in 1979. She maintained this position for three years during which time she had many responsibilities. She helped to plan events for the younger members whom she supervised and taught various skills such as knitting and signing (sign-language). Lynn supervised these younger members on field trips as well, such as the annual summer camp at Muriel Lake and a trip to Mexico which the Club took. As an adult, Lynn is now "Brown Owl" or the leader for the Elk Point Brownie Pack. Lynn strives to keep the participants actively involved in the program. Much of her leading requires extra planning and organizing, not to mention the weekly Thursday night

efforts with the girls. Undoubtedly, the Guiding Association will bring memories to mind to its members years down the line.

Ed Soldan is a long-time resident of Elk Point having lived here for most of his life. Over the years he has been actively involved with the Elk Point Volunteer Fire Department. In all, Ed spent eighteen years with the Department, eight of which he served as Chief. During this time, he was responsible to train other firemen, attend fire schools, practise in weekly fire drills, and inspect buildings for fire safety. Ed also coached a Tom Thumb hockey team for two years. One of those years was prior to the arena when the teams played in an open-air rink. Ed helped on the construction of the arena and the curling rink. Today, Ed continues to volunteer his time as the President of the Elk Point Golf and Country Club. This position makes him an automatic member of most of the club's ad hoc committees that plan tournaments or discuss special issues. Lastly, Ed is presently a member of the Elk Point and District Regional Recreation and Cultural Board. As a member, Mr. Soldan is very involved with the recreational and cultural issues of the community and he plays an active role in the decision making.

Keep up the good work, Ed!

A BIRD IN THE BALE — Doesn't give a hoot — he's safe from winter winds on the Dunham farm, and not camera shy, either.

Photo by Mildred Dunham

By Linda Simpson

Lynn's volunteer background in Elk Point lies with the Guiding

meetings. Plans for this year's special events include a tobogganing party and a summer camp.

That's off to you, Lynn for all your

Elk Point Red Cross branch carries on

By Irene Magnusson

Eight members of the Red Cross, Elk Point Branch, met at the home of their President, Violet McFadyen, Feb. 3rd, for their first meeting of the year and an afternoon of quilt work.

Secretary Margret Modin was absent, so McFadyen reported on the last meeting, which had been the Annual meeting, and also gave a resume of activities carried out in past weeks. I. Magnusson was acting secretary. Memberships have been collected by the branch, of 50 cents per member. \$8.00 was received from the Zone meeting of last November. Several articles had been received, including two clown dolls created by Marian Smith, for sale.

The list of articles sent to Head Office over the past year was read - a total of about 46 articles. All these have been reported earlier.

Several ladies present agreed to carry on with canvassing in their area. McFadyen will call for early canvassing, since the receipt books this year have 25 in each, many will not be filled by one canvasser, and so will be required by others. March is traditionally Red Cross canvassing month, and will be this year again.

Several ladies undertook to make

lap robes, others to crochet afghans, providing yarn is received from Red Cross.

McFadyen has purchased a quilt batt, and material for quilt backings. A motion carried that she be reimbursed for these from Branch funds, a total of \$16.38.

Working both before the formal meeting, and after, the group cut blocks, and pinned ready for stitching, a total of 12 crazy-quilt blocks of fortrel, plus one large quilt of wool pieces. Members will stitch these at home, ready for assembling. McFadyen reported the group now has on hand: 2 quilts in process being made today, and the wool quilt, a total of seven. These will be quilted or tied over the coming months, and become available for use of disaster victims through official Red Cross channels. Small articles made by members are sent to head office for sale in the Red Cross craft shop.

McFadyen asked for volunteers to work on quilts as soon as the blocks are ready. Five members agreed and will be called.

The Convention will be held in March in the city, and Elk Point delegate is Lena Stepa. Next meeting is Monday, March 3rd, at McFadyen's home; time will be announced.

Peewees win Provincial

The Elk Point Co-op Peewees won their first Provincial playoff game Saturday morning, with a 12-4 win over Fultonvale.

Lindsay Jenner was the game's high scorer, racking up five goals and one assist, while Kevin Bates provided two goals and two assists. Kim Hawryluk, Brad Yakemchuk, Todd Anderson, Jim Onusko and James Capjack each scored singles, with two assists for Anderson and one each for Hawryluk, Yakemchuk and Onusko. Robin Yakemchuk added another three assists, with two for Chris Cameron and one for Matt Higgins.

Good going boys—keep it up!

LOCAL AUTHORITIES BOARD

IN THE MATTER OF THE "Municipal Government Act";
AND IN THE MATTER OF THE "County Act";
AND IN THE MATTER OF THE "Administrative Procedures Act";
AND IN THE MATTER OF an application by the Town of Elk Point, Alberta, for annexation of certain territory lying immediately adjacent thereto.

TAKE NOTICE that the Town of Elk Point, Alberta, has petitioned for annexation to the Town of the following described territory lying immediately adjacent thereto in the County of St. Paul No. 19:

ALL THAT PORTION OF THE NORTH WEST QUARTER OF SECTION SIX (6), TOWNSHIP FIFTY-SEVEN (57), RANGE SIX (6), WEST OF THE FOURTH MERIDIAN NOT WITHIN THE TOWN OF ELK POINT.

ALL THAT PORTION OF THE SOUTH WEST QUARTER OF SECTION SEVEN (7), TOWNSHIP FIFTY-SEVEN (57), RANGE SIX (6), WEST OF THE FOURTH MERIDIAN NOT WITHIN THE TOWN OF ELK POINT.

THE ABOVE DESCRIBED TERRITORY CONTAINS NINETY-SIX AND SIX HUNDREDTHS (96.06) HECTARES (237.36 ACRES), MORE OR LESS.

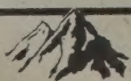

The Board will hold a public hearing of the matter of the petition in the Council Chambers of the Town of Elk Point, 4910-50 Avenue, Elk Point, Alberta, at 11:00 a.m. on Wednesday, February 26, 1986.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting or refusing the annexation application and you are hereby notified that if you wish to make any representation in this regard, you may file such written submission with the Board or appear at the aforementioned public hearing.

In the event that no valid written representation is filed or spoken to as noted, the Board will proceed to deal with the petition on the basis of evidence presented at the public hearing.

DATED at the City of Edmonton, in the Province of Alberta, this 10th day of January, 1986.
